

WTJX-FM 93.1 "Analyze This" with Neville James  
(Local NPR)  
November 2, 2021; 9 – 10 am

Island Green Executive Director Kelly McKinney and President Harith Wickrema talk with former Lt. Governor Osbert Potter about free “Sustainable Deconstruction” community event and workshops offered November 5 & 6, perfect for those looking to expand into a green career or just learn more. Master Trainer Dave Bennink joined as well. Additionally, other Island Green sustainable initiatives discussed.
