

WTJX-FM 93.1 "Analyze This" with Neville James
(Local NPR)
January 13, 2023; 8 – 9 am

Part 1 - Tomorrow, Island Green Living will be partnering with the Department of Agriculture and the VI Conservation District to provide a Composting & Food Security presentation and workshop event at the Giff Hill School on St. John. Island Green Living President Harith Wickrema and VIDOA Assistant Commissioner Diana Collingwood join Neville James to discuss the impetus behind this event and the future of the agricultural industry in the Virgin Islands.
