

**WTJX-FM 93.1: Analyze This with Neville James**  
**March 20, 2026**

Friday, March 20, 2026 – Part 1 & 2

Part 1 & 2 – On these episodes of Analyze This, host Neville James is joined by Senator Ray Fonseca, Dawn Henry, former DPNR Commissioner and current Board VP of non-profit Island Green Living, Harith Wickrema, Board President of Island Green, Sommer Sibilly-Brown, Founder of VI Good Food discuss the controversial proposal to install air curtain incinerators at Virgin Islands landfills under Bill 36-0232. Guests raise concerns about public health, environmental impacts, and lack of community input, while promoting alternatives like composting and mulching as more sustainable solutions. Later in Part 2, additional government officials spoke with the host regarding the issue and others.
