

WTJX-FM 93.1: Analyze This with Neville James
July 2, 2026

Friday, July 2, 2026 – Part 2

Part 2 - Host Neville James welcomes Dawn Henry of Island Green Living to discuss the organization's recycling initiative during the St. John Emancipation and Fourth of July Celebration. Henry highlights efforts to collect aluminum cans, plastic water bottles, and clear plastic cups from the festival village while encouraging the public to properly separate recyclables from food waste.
